Abstract Notification dated 29th January 1929.

The attention of the public is invited to the notice calling for tenders for the construction of a Sandal Koti Building at Mysore, published in pages 161 and 162 of Part VI of the *Mysore Gazette*, dated 7th February 1929. The last date for receipt of tenders is 27th February 1929.

V. V. KARVE,
Executive Engineer.

KOLAR DIVISION.

Notice dated 31st January 1929.

The attention of the public is invited to the notification published in the *Mysore Gazette*, Part VI, pages 158 and 159, calling for tenders for restoring Singarahalli-Hongekere, Serial No. 581 of Bowringpet Taluk. Last date of tender is 25th February 1929.

N. LAKSHMINARASIMHAIYA,
Executive Engineer.

CHITALDRUG DIVISION.

Abstract Notification dated 29—30th January 1929.

The attention of the public is hereby invited to the advertisement page No. 165 and 166 of the *Mysore Gazette* of calling for tenders for the constructing Police Lines at Basthihalli, Chitaldrug Taluk.

Dated 12th February 1929.

Notice is hereby given that sealed tenders will be received at the office of the Executive Engineer, Chitaldrug Division, up to 12th March 1929, for construction of a Town Hall at Challakere. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of March 1930.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Chitaldrug between the hours of 11 A.M. and 5 P.M.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 500 in Cash or Currency Notes, as earnest money, and be superscribed "Tender for construction of a Town Hall at Challakere" in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with Superintending Engineer, Shimoga Circle, Shimoga, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the notice board in the Executive Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

Abstract showing the quantities for the construction of a Town Hall at Challakere.
